*Christmas thought is more than a remembrance. It is a prayer for you from our heart that Jesus and His vision keep growing in you; that His Peace and Joy bless you in who you are and in what you desire to be and accomplish. God's greatest present is His presence, ponder on this as you celebrate Christmas. As we take time out from our busy lives to celebrate the birth of our Lord, we remember in our prayers all those whose Christmas this year is not as joyful as ours: families who lost their loved one in pandemic, the sick, lonely, homeless, families in any kind of losses and the persecuted. We remember at this time all those who are longer with us especially who died of Covid 19 and all those who are still suffering of the virus. We pray that the God who became one among gives us strength when we cant go on, hope when hope is gone, shelter in the storms of life. May this Christmas season bring you closer to all those that you treasure in your heart.*

*THANKS for your support and every kindness over the years  
 Happy Christmas & New Year- Fr Shaju & Fr Anthony*
